

Canada Recovery Caregiving Benefit (CRCB)

CRCB extends to May 7, 2022

The CRCB is extending until **May 7, 2022**. The maximum number of weeks you can apply for also increases to **44 weeks**. You can apply retroactively for periods 61 to 63 until February 16, 2022 if you are eligible.

The Canada Recovery Caregiving Benefit (CRCB) gives income support to employed and self-employed individuals who are unable to work because they must care for their child under 12 years old or a family member who needs supervised care. This applies if their school, regular program or facility is closed or unavailable to them due to COVID-19, or because they are sick, self-isolating, or at risk of serious health complications due to COVID-19. The CRCB is administered by the Canada Revenue Agency (CRA).

If you are eligible for the CRCB, your household can receive \$500 (\$450 after taxes withheld) for each 1-week period.

If your situation continues, you will need to apply again. Each household may apply for up to a total of 44 weeks between September 27, 2020 and May 7, 2022. **New**
