Harassment and Violence in the Workplace

March break 2022 is here and load factors are up sharply, and we are aware there has also unfortunately been an increase in aggression towards our members. The District office and Health & Safety committee take this very seriously. It is important that members report all incidents to the Human Rights and Harassment Office (HRHO), as covered in the ADL modules. The Union recommends in addition to advising the CEM or MO in real time to fill out a “Workplace Harassment and Violence Notification Form” **ACF25D**.

If you have any questions, please reach out to a Health & Safety Committee member, a Vice Chair, or the district office. The H&S phone is 905 676 2992, and their email is safety@YYZD301.com.

2022 SUMMER BID

MO Dong Won, WorkForce planning, sent an email last week explaining the upcoming shift bid is forthcoming and will have a flip date sometime in May. I expect the dates to be finalized sometime this week. As soon as they are finalized, they will be published on the district telegram channel and website.

In preparation for the upcoming bid, all 2021 bid documents have been removed from the UNIFOR District 301 SharePoint. They are still available on the Union website.

Once the 2022 Summer BID is released it will be posted on SharePoint ONLY. This will also be the only list updated LIVE during the Telephone BID. If you don't have access to the UNIFOR District 301 SharePoint, please send an email from your AC email to INFO@YYZD301.com to request access.

MARCH 2022 Seniority Lists

The company is required to provide a seniority list to the union each March under Article 10.04.01 of our Collective Agreement, so that members have the opportunity to review and report any errors.

The list is available on the UNIFOR DISTRICT 301 SharePoint. If you don't have access to this SharePoint, send an email from your AC email to INFO@YYZD301.com to request access. Please do not post the lists on any form of social media, online chat or email.

Please report any errors to coordinator-lr-technicalsvcs@aircanada.ca and CC dpeng@unifor2002.org & INFO@YYZD301.com before April 8th.

SUBJECT LINE to say “UNIFOR SENIORITY CORRECTION”.

MEET & SPAT AGENTS

A reminder that looking after our customers requesting wheelchair assistance is an important part of our workload and the responsibility of everyone. As the meet agent or spat you are responsible for collecting and pushing wheelchairs. Please always show up to an arrival flight with empty wheelchairs. Everyone thanks you in advance.

ESS HELP EMAIL

Effective immediately, the new email for ESS Help is workforceplanning.airports@aircanada.ca. The hours are Monday through Friday 0800-1700.

2021 Vacation Statement

Your 2021 Vacation Statement is now available for review. You can find it on HR CONNEX then eHR KIOSK then UNIFOR – Vacation Statement. Any discrepancies please contact the Bunker by sending an email to yyzresource@aircanada.ca.

In Solidarity,

Harold Bateman
District Chair D301
