### **Employee Appreciation Day and Shine Points or AC E-Gift Card**

CEO Michael Rousseau sent out an email on Saturday March 5, offering employees a choice between 50,000 shine points or a \$500 AC E-Gift card. In order to receive this, you must have been an employee on or before December 31, 2021. Please see the email in your AC email account and make your selection before the end of March.

### **Summer Shift BID**

It is coming and we continue our discussions with the company. No confirmed dates yet of when bidding or flip date will occur.

In order to prepare for the telephone BID, please make sure you have access to and have saved "UNIFOR District 301" SharePoint to your favorites. To verify please log onto Aeronet, then click on *SharePoint* and look for *Favorites* in the top left side of the screen. If you do not have access please use your AC email and send a request to [info@YYZD301.com](mailto:info@YYZD301.com).

### **One Task At A Time**

We continue to receive examples of multiple flights on your PDA at or near the same time. When this happens it's important that you contact Deployment and ask them which one they want you to complete. If the reply is "we have no one", complete the tasks that you are able to complete without putting your safety at risk, and send a picture of your PDA by email to [info@YYZD301.com](mailto:info@YYZD301.com). Be sure to include who you spoke to in deployment and what they advised. In the end you can only do one flight or task at a time.

### **Women's Advocate New Phone Number**

Our Women's Advocate has received a new phone number **519 280-5134**. The District website has been updated with this information under "Life" Tab > Womens Advocate.

### **Locker Audit:**

The company is completing a locker audit. If you currently have a locker please be sure to complete this online survey. If you currently have a locker check your AC email for a link to the online audit. The email was sent out February 28 from YYZHUB. Subject line is "YYZ HUB# 53: Locker Audit (Revised)". Failure to complete this audit will result in your lock being cut off and contents removed. DEADLINE IS MARCH 31.
