2022 SUMMER SHIFT BID

The CRC has completed their task of cycling the summer bid and the shifts are now back in the company's hands to review and make any final adjustments. I would like to thank Jenifer Moore, Kim Salerno, Teri Seaboyer, and Sergio Do Couto for their dedication and hard work in cycling the shifts to reflect the wishes of the membership as much as possible.

The bid package will be released on Wednesday April 6th. We will each receive an email from the company with all the details and instructions. The UNIFOR District 301 SharePoint will be updated shortly after the email is sent out.

Reminder: Make sure you can and do have access to UNIFOR District 301 SharePoint.

Shift Trades

We have several new members joining us here at Air Canada, and one of the great perks is our ability to trade shifts. Just a few reminders that all trades must be in by 2359 the day before the shift, and you can only trade 30 days in advance. The original owner of the shift is what drives the STAT credit on any shift. Be sure to ask the original owner of the shift if they are in the GHO/VPP General Holiday Option/Vacation Purchase Program.

Visit the district website for more details. www.YYZD301.com. Click on WORK then MONEY for FAQ on STAT pay. Click on WORK then SHIFT TRADES for rules and what we can and cannot do regarding shift trades.

Remember that once you pick up a shift, it now belongs to you and it is your responsibility to work that shift or to get it covered if you are unable to work that day.

LEAD INCREASE

JOIN me in welcoming the 9 new FULL TIME leads joining us April 17th. It has been over 6 months in the making. There has also been a new vacancy declared for 3 more FULL TIME leads. If you are interested, be sure to qualify and submit your transfer before April 10th.

DEADLINE for UNIFOR Seniority correction

Seniority Lists have been posted on the UNIFOR District 301 SharePoint (Aeronet).

This is your opportunity to review the list and report any errors to coordinator-lr-technicalsvcs@aircanada.ca and CC dpeng@unifor2002.org & INFO@YYZD301.com before April 8th.

Even if your seniority and/or status is correct on the bid times (to be posted on April 6), it is still important to review the system-wide list posted on SharePoint earlier this month and to still email Labour Relations to have their list corrected.

Family Responsibility Days – Reporting Form

Please review and save an email we all received from Airports.Aeroports@aircanada.ca on April 1, 2022 at 1720. It is a link to a new and improved way to efficiently report Family Responsibility days without calling the attendance line if you need to report that you are unable to report to work more than 2 hours before the start of your shift.

VACATION CHANGES

To clarify a misunderstanding that has circulated among some members, the Collective Agreement does not include any provisions for swapping vacation weeks with other members. If you wish to change your vacation weeks, please submit a vacation waitlist form. Your request will be actioned based on availability and seniority. Please see the district website for more detailed information, www.YYZD301.com, and then click on the VACATION tab. For any questions, please see a Vice Chair on the floor or call/visit the office.

In Solidarity,

Harold Bateman
