

WINTER 2024 (W24) IN TERMINAL CONCIERGE BID PACKAGE

Please take the time to review all bid collateral carefully as outlined in this document.

Concierge Work Areas

- ✍ **Valet (Porsche Signature Class Chauffeur Service)** – As you will be required to operate Porsche executive vehicles within the Airport property, to transport our customers between gates, and other tasks as assigned, a valid driver's license (G2) and Airside Vehicle Operators License (AVOP) must be obtained and maintained throughout the shift bid. The AVOP will be issued by the local Airport Authority upon successful completion of testing. Should your Driver's license or AVOP be suspended for any reason, you must notify the Company immediately. If you are unable to obtain your AVOP within two (2) opportunities of the written and driving test, will result in forfeiting their bid line and will be assigned a base relief line. Base relief scheduling rules are outline below.
- ✍ **Air Canada Signature Suite** – Located in the Signature Suite at the Reception Podiums, Concierge will welcome customers, determine access eligibility and providing concierge service as required. Will be utilized as the operation requires.
