ANTICIPATED WINTER WEATHER EVENT – Wednesday, February 18, 2026

YYZ HUB #019

Hello/Bonjour Team YYZ,

To prioritize your safety, a Winter Weather Event has been declared for **Wednesday, February 18, 2026**.

Forecasted Event Duration

To ensure your safety and support timely arrival, please take proactive measures when planning your commute. This is forecasted to affect YYZ for all employees.

Shift Adjustment Options

Late 01-29 mins	RO will be granted for missed time. Employees may sign up for OT.
Late 01-90 mins	Time may be made up. Please Contact Deployment for after-shift task or RO if unable to make up time. Employees may sign up for OT
Late 91+ mins	Will be marked AU (weather). Employees may sign up for OT.

Should you be affected by this event, please contact **Deployment** for your after-shift assignment.

Thank you for your dedication and commitment to Air Canada and to our customers. Your support continues to make a meaningful difference.
