

Advisory # 2026-A-032

Subject: Planned Dual Terminal Link Service Suspension (October 12-16)

From: October 12th 2026 – October 16th 2026

Contact: Nivethan Raveedran, ZZL-GroundsideOperations@gtaa.com

Date: September 28th, 2026

Both Terminal Link trains will undergo scheduled maintenance for a five day period to ensure the assets continue to operate safely and reliably. As both trains will be unavailable during this time, shuttle bus services will be implemented to support customer and employee travel between Viscount Station, Terminal 1, and Terminal 3.

The maintenance work is scheduled to begin at 12:01 a.m. on Monday, October 12, 2026, and will continue until 11:59 p.m. on Friday, October 16, 2026.
